MAGNUM BATTERY XS SET

- Impact resistance: IK09
- Nominal power: 20 W
- Color temperature: 4000 K
- **Luminous flux: 2300 lm**
- Operating mode for battery-based operation for 2 Ah battery:
 - 200 lm, working time: 15 h
 - 750 lm, working time: 5 h
 - 1500 lm, working time: 2 h 30 min
 - 2300 lm, working time: 1 h 30 min

Compact LED floodlight for professional use. Provides uniform and stable directional lighting. Made of impact-resistant polypropylene (PP). Anti-glare diffuser made of polycarbonate (PC), transmits up to 80% of the light emitted by the LEDs. The smaller size and compact design make it convenient to transport. It is equipped with a switch with 4-step luminous flux control. It can be mounted on a Future Stand, significantly increasing the range and comfort of use.

MAGNUM BATTERY XS is also available as a set with a capacious, branded and durable battery and charger. The battery is compatible with other Bosch devices in the 18V Professional System. The device has a battery level indicator.

MAGNUM BATTERY M SET

- Impact resistance: IK10
- Nominal power: 30 W
- Color temperature: 4000 K
- **Luminous flux: 4050 lm**
- Operating mode for battery-based operation for 2 Ah battery:
 - 500 lm, working time: 9 h
 - 1850 lm, working time: 2 h 30 min
 - 2750 lm, working time: 1 h 30 min
 - 4050 lm, working time: 1 h

Compact LED floodlight for professional use. Provides uniform and stable directional lighting. Made of impact-resistant polypropylene (PP). Anti-glare diffuser made of polycarbonate (PC), transmits up to 80% of the light emitted by the LEDs. Magnum Battery M has larger dimensions than Magnum Battery XS, but is still easy to transport and is characterized by a higher impact resistance (IK10) and a higher maximum value of the luminous flux. It is equipped with a switch with 4-step luminous flux control. It can be mounted on a Future Stand, significantly increasing the range and comfort of use.

MAGNUM BATTERY M is also available as a set with a capacious, branded and durable battery and charger. The battery is compatible with other Bosch devices in the 18V Professional System. The device has a battery level indicator.
